Dear Exhibitor:

Please be sure your animal's 840 tag number is on the animal's health chart. Health charts must be checked at the gate before animals can enter the complex. You will receive a vet check confirmation card at the veterinary check in. You **MUST** bring this card with you when checking your animals in for the show. Also, bring your health papers, as 840 tags will be checked with a reader at this point.

Tie out stalling can be marked and reserved beginning Sunday, October 2nd. You will need to do this yourself. Staff is not available to make assignments. Please only take the space you need. **DO NOT** use animal space for hay and straw. We were short on space last year due to hay and straw storage as well as excessive space per animal used. Tie outs will be available until 4 PM on Sunday, October 9th, 2022.

Stabling requests must be made at the time of entry and no later than 4 PM on September 11, 2022. If you have **NOT** made a stalling request with your entries, you can forward your request to Tammy at tsweaver@dejazzd.com or (717) 278-9216.

Barns will be open with stalling assignments Monday, October 3rd by 6:00 PM. **Barns will be open for sponsors ONLY on Sunday, October 2nd after 2 PM.**

All premiums are subject to change by Show Management dependent upon funding support.

We are looking forward to a great show!

Show Manager
