

OPEN BARROWS

Superintendent: **Brian McAllister**, Douglassville, PA, (814) 280-5437

SPECIAL RULES FOR OPEN BARROWS

1. In addition to these Special Rules, this department is subject to the General Rules and Regulations as stated in this Premium List.
2. **SCHEDULE OF EVENTS** – See [Swine – General & Health Rules](#).
3. **Barrows may only be entered into either the open or junior show, not both. In 2021, the show will be terminal.**
4. **ENTRY FEE** – See [Swine – General & Health Rules](#). **A \$5 PLA administration fee is required.**
NEW RULE: If an exhibitor also entered in the Open Breeding Show, they are required to purchase pen(s) for the Barrow Show, too. A minimum of two and a maximum of five animals are allowed per pen, which may be used for breeding swine or barrows. As a limited number of dividers are available, it is suggested that animals be penned together at home in order to meet this minimum requirement. ALL exhibitors must purchase at least one pen per each show entered.
5. **ELIGIBILITY OF INDIVIDUAL BARROWS** –
 - a. All barrows shown in purebred classes must be sired by a registered boar.
 - b. Evidence of fresh ear notches will disqualify the animal.
 - c. Exhibitors of purebred barrows must have made recording of some animal with the association of that breed or breeds within 12 months of the opening date of the show.
 - d. Any barrow eligible for a purebred barrow certificate must show in its respective breed class if offered. All others must show in the crossbred class.
 - e. Barrows must show on foot or they will also be disqualified for KILE Score Competition.
 - f. Each animal in the show ring must be accompanied by a showman.
6. **ELIGIBILITY OF TRUCKLOAD OF SIX HOGS** –
 - a. Any breed, either sex, average weight 235-280 pounds.
 - b. Truckload exhibitors may exhibit up to two barrows from the truckload entry in the on-foot and KILE Score classes. These two barrows must be designated during weigh-in at the scale. These two barrows will count toward the exhibitor's breed quota.
7. **ENTRY LIMITS** – Exhibitor may:
 - a. Enter six individuals per breed. An animal may be shown in only one individual class.
 - b. Make one entry in the Truckload of Six Hogs class.
8. **SUBSTITUTION** – Substitutions must be filed with the Superintendent no later than the time animals are weighed by the exposition clerks.
9. **CLASS PREMIUM PER BREED** – **All premiums are subject to change by the KILE Executive Committee dependent upon funding support.**
10. **OUTSTANDING ACCOUNTS** – If monies are owed to the show for any reason, the premium checks will be held and exhibitors will not be allowed to participate in any Commonwealth-sponsored show until restitution is made of the outstanding accounts.
11. **ARRIVAL TIME** – See [Swine – General & Health Rules](#). **No animals may be unloaded between 11:00 PM and 6:00 AM.**
12. **TRAILERS** – Trailers will be permitted to park on-site as space permits. Off-site parking is encouraged. See the [map](#) for parking directions.
13. **PENS** – Assignments will be made by Swine Chairmen. All pens must be cleaned by the exhibitor daily.
14. **BEDDING** – Straw and ground corncobs are the only bedding materials permitted. A deduction in premiums will be made for use of other materials. Initial bedding will not be provided. It

must be furnished by the exhibitor or purchased at the feed room. See [prices](#).

- 15. WEIGHING** – Weighing of barrows will begin at 12:00 noon on Saturday, October 9, and all barrows must be weighed by 4:00 PM on Saturday, October 9, at which time they will be entered in proper weight classes. Barrows under 235 pounds and over 280 pounds will forfeit entry fee and cannot show. Underweight animals will be returned to the exhibitor. Overweight animals will be ineligible for show and sold by Barrow Show Management. There will be no re-weighing nor weighing of barrows prior to the scheduled weigh-in.

Exhibitors must put their own animals in the scale chute. Ownership of each animal must be announced by the exhibitor or his/her representative at weigh-in and this designation is final.

- 16.** A committee representing Show Management will observe the handling of all animals, both in and out of show ring, and will have the authority to disqualify any exhibitor for unethical practices.
- 17. Grooming** – No dressing other than water may be used on the animals. Penalty will be immediate disqualification from the show.
- 18. ON-FOOT CHAMPIONS** – Breed Champions, Open Champions, Junior Champions and Grand Champions will be selected. First-place winners within breeds will compete for breed champion. In the Junior Show, first-place winners within weight classes will compete for Junior Champion. Breed Champions will compete for Open Champion. Junior Champion and Open Champion will compete for Grand Champion. In all cases, the second-place animal to the one named Champion will compete for the Reserve Champion.
- 19. SALE OF MARKET SWINE NOT SELECTED FOR KILE SCORE DIVISION** – Following judging, all market swine, including those ineligible for competition but excluding truckloads, must be sold directly to the buyer as arranged by Barrow Show Management.
- 20. KILE SCORE EVALUATION** – Carcasses will be evaluated ultrasonically at weigh-in.
- a. Any error in the results of KILE SCORE DIVISION tabulations reported to Show Management within 10 days of postmark of show results will be considered for correction.
 - b. KILE SCORES will be based on the current objective evaluation method of the meat industry or another method agreed upon by Barrow Show Management.
 - c. Because of limitations, all of the barrows shown may not be evaluated for KILE Score. The number selected for evaluation will be prorated according to class size. Those not eligible for evaluation will be selected by the judge immediately after the class enters the ring and before the remainder of the class is placed.
- 21. KILE SCORE** – Open Champion and Junior Champion will be selected from the first-place KILE Score entries, with the Champions competing for Grand Champion. In all cases, the second-place animal to the one named Champion will compete for Reserve Champion.

INSTRUCTIONS FOR JUDGING AND PLACING BARROWS – On-Foot - A score of 1, 2, or 3 will be assigned to each barrow based on soundness, freshness, or the condition of being a late castrate. The scorer will submit his scoring record to the barrow Superintendent prior to the final placing and discussion of the barrows. On-Rail - Place only carcasses that meet weight and certification requirements.

Final placing will be based on KILE SCORE and converting to a point score based on soundness, freshness, and condition of castration as follows:

Classification	Description	
1	Severe unsoundness and/or late castrate and/or excessive staleness	- 1.5
2	Mild unsoundness and/or late castrate and/or excessive staleness	- 1.0

- In case of ties in KILE Score, placing will be determined by considering loin muscle area, then fat depth.

- The following table includes the effects of on-foot classification of 1 or 2 on the KILE Scorer:

Percent Primal	On-Foot Score	Adjustment	KILE Score
44.0	1	-1.5	42.5
44.0	2	-1.0	43.0
44.0	3	0.0	44.0

- 22. SALES** – All sales are arranged by Barrow Show Management through a buyer and proceeds will be paid directly to the exhibitor by the buyer.
- 23. JUNIOR BARROW SHOW** – See Junior Barrow details as printed later in this document.
- 24. HEALTH RULES** – The rules governing Market Swine are printed at [Swine – General & Health Rules](#).
