Junior Breeding Sheep

Showmanship

---

*I grew up in Lebanon County Pennsylvania and now reside in Gettysburg, Pa with my wife Jen and our son Hudson.*

*We run around 40 head of Hampshire, Southdown and crossbred ewes. Our goal has always been to offer sheep that excel both in the show ring and in the breeding shed.*

*Showing and raising livestock runs deep in my family's roots, as our son Hudson is a 5th generation breeder. We have been blessed to have success at the highest level and love teaching and mentoring young people with that same passion for the livestock industry.*

Youth Showmanship

---

I own and operate Greenleaf Valley in western PA with my wife, Kasey, and daughter, Oakley. We run a small group of Merino females and around 80 wether/slick type of Horned Dorset ewes.

I am the FCM for NAU Crop insurance for the NE Region of the country. I have had the privilege to judge many shows in the last few years, but I always look forward to sorting junior breeding shows.
