Your animal will be available for viewing and purchase online in addition to the live auction. A sales representative through The Brand Cattle Auctions (Willoughby Sales) will be managing online bidding and communicating with the live auctioneer at KILE. Prior to the sale, The Brand Cattle Auctions will be advertising our sale and your cattle. In preparation for this, please email a photo of your animal, pedigree information, and any special information to Kyle Fleener at Kylefleener@thebrandauctions.com or 717-304-9116 at least three (3) weeks prior to the sale. The sooner the information is received, the more time your animal will be advertised.

19. The sale is a contract between buyer and seller. Animals purchased become the immediate property of the successful bidder and subject to delivery at the close of the sale upon payment of the purchase price. The buyer is responsible for securing proper import permits and meeting import regulations as required by the state of import.
20. Sale proceeds will be mailed to the consignor following the sale.

All guarantees and representations must be in writing by the consignor and will be announced at time of sale as though by the consignor. The consignor will be solely responsible for said guarantees and representations. If no such announcements are made, the animal will be sold in an “as is” condition. Buyer agrees, as a participant in the auction, that any claims made based upon said guarantees and representations shall be made against the consignor only and releases KILE from any liability thereto.
