

Dear Exhibitor:

Enter the grounds only through the North Gate. Upon arrival at the Pennsylvania Farm Show Complex & Expo Center, go directly to the Animal Health Station. Next, contact the horse office for stalling information before stabling your horse.

Also, please note the following:

1. **IMPORTANT!** No horses will be permitted into the expo without a CVI or Original Coggins Test Report. **No exceptions.** Be sure to bring the original with you so it can be shown at the entrance gate. ALL HORSES (PA INCLUDED) MUST HAVE A 30 DAY CERTIFICATE OF VETERINARY INSPECTION.
2. Straw and shavings are the only acceptable bedding material. The use of any other bedding material is not permitted. All straw and shavings must be provided by the exhibitor and/or purchased at the feed room. **No initial bedding will be provided.**
3. TRAILERS MAY BE PARKED ON SITE AS SPACE PERMITS. OFF SITE TRAILER PARKING IS ENCOURAGED. THE ELMERTON AVENUE OFFSITE LOT IS ONE MILE AWAY. OVERNIGHT SECURITY WILL BE POSTED.
4. Arrival and departure schedules will be strictly enforced, since stalls will be cleaned between shows. It is the owner's responsibility to see that their horses are in their assigned stalls and only at the designated times.
5. Registration certificates will be required for breed shows, per show rules before horses are permitted to show.
6. All horses must be removed from the show grounds 2 hours after the conclusion of the show on Sunday, October 1, 2023.
7. Electrical hook-ups for campers are available at \$95.00 for the first night and \$40.00 each additional night. You must contact Security directly for hook-up at (717) 231-6565.

All premiums are subject to change by the KILE Executive Committee dependent upon funding support.

Best wishes for a successful show.

Sincerely,

Morgan Firestine
Show Manager
