

Dear KILE Exhibitor,

The Keystone International Livestock Exposition would like to Thank You for your support of our event over the years.

This year promises to be a continuation of the firm foundation established over the last several years. KILE continues to be the region's top event for equine, beef, sheep, goat, and swine. In addition, KILE continues to serve as a launch event of the national major show season, with many of the breed champions at KILE continuing their winning careers at the remaining national shows.

To ensure the continued success of the high-quality shows and activities at KILE, we are asking you to partner with us as a species/breed sponsor for the 2022 show. Your sponsorship will play an important role in a successful 2022 Keystone International Livestock Exposition. Due to your past generosity, we have been able to continue to operate this event at the high level you have grown to expect. Enclosed you will find a sponsorship form with various levels of sponsorship. Please choose the one most appropriate for your farm, business, or organization. Your sponsorship will be recognized in the Premium List, if received by **June 15**, on the website and in the show program during the event. Please send the completed enclosed form, with a business card (if possible), along with payment by **June 15, 2022**.

Thank you for your interest and consideration.

Sincerely,

KILE Show Management
